

## Premillennialism: The Seven-Year Tribulation

The Bible mentions neither the rapture nor a great tribulation lasting seven years, yet these two ideas are at the heart of premillennial teaching. These ideas are read into the Scriptures. Paul commands disciples of Christ to not think beyond what is written in 1 Corinthians 4:6. Our study today will therefore investigate what the Bible has to say about the subject of *tribulation* and demonstrate that this inspired information *cannot* be speaking of a seven-year tribulation that follows a rapture.
